

Bilan de satisfaction

Stage de maintien des acquis et des compétences

Afin d'effectuer un bilan de satisfaction, un questionnaire a été établi **via Google Forms** reprenant des questions évaluant la logistique, la formation et les apports :

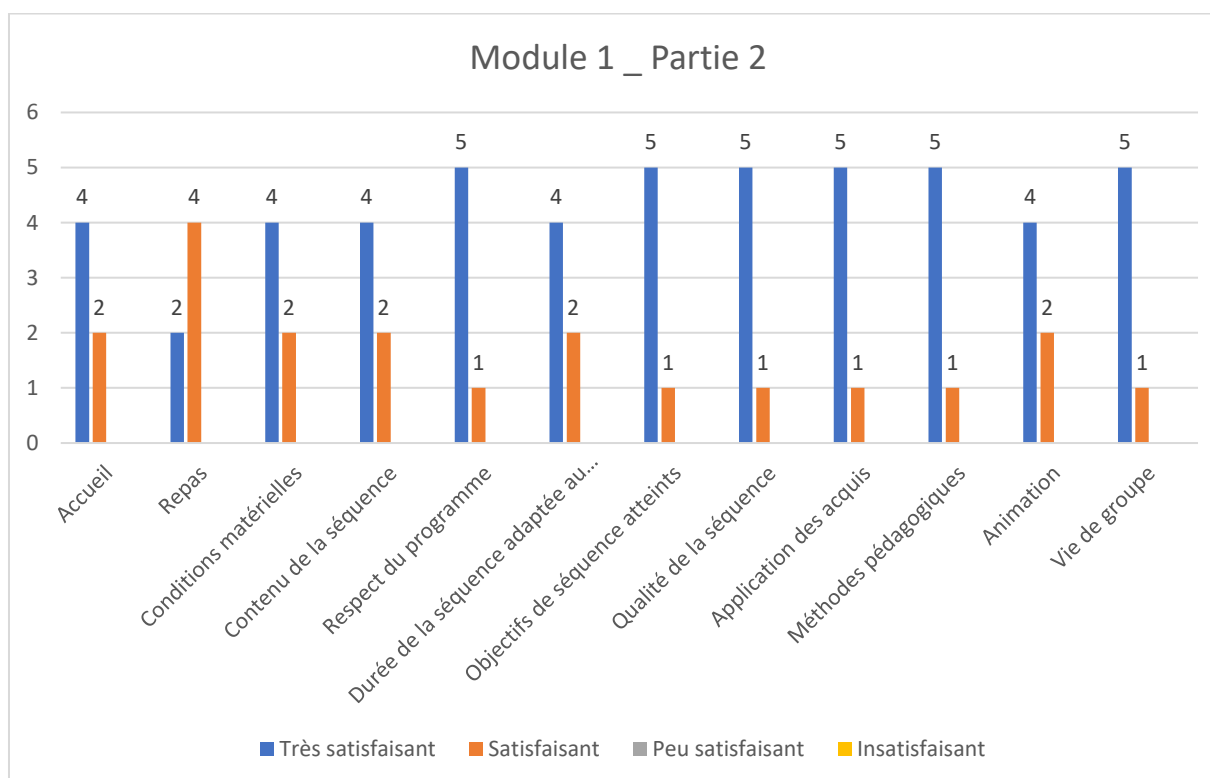

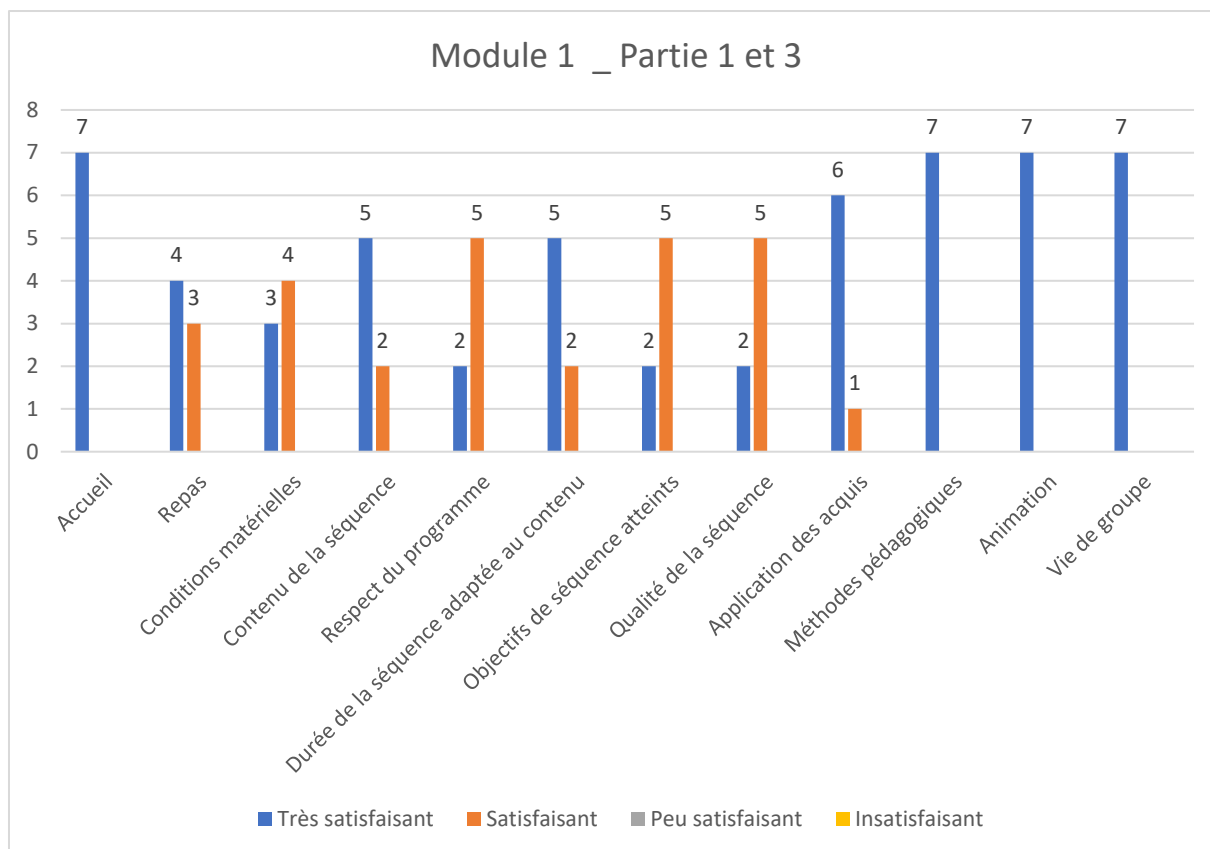

L'évaluation s'effectue grâce à quatre degrés de satisfaction : Très satisfaisant, Satisfaisant, Peu satisfaisant, Insatisfaisant.

Dans un objectif d'amélioration continue deux questions à réponses libres ont été insérées :

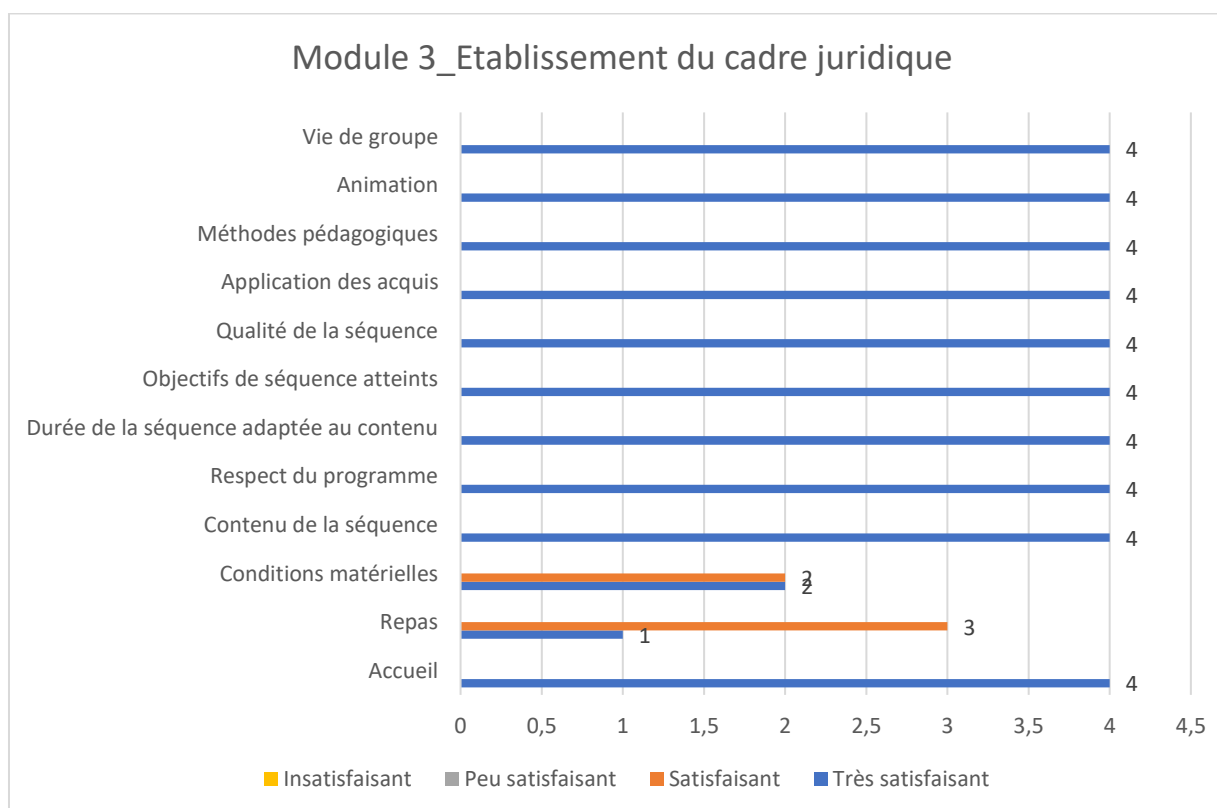

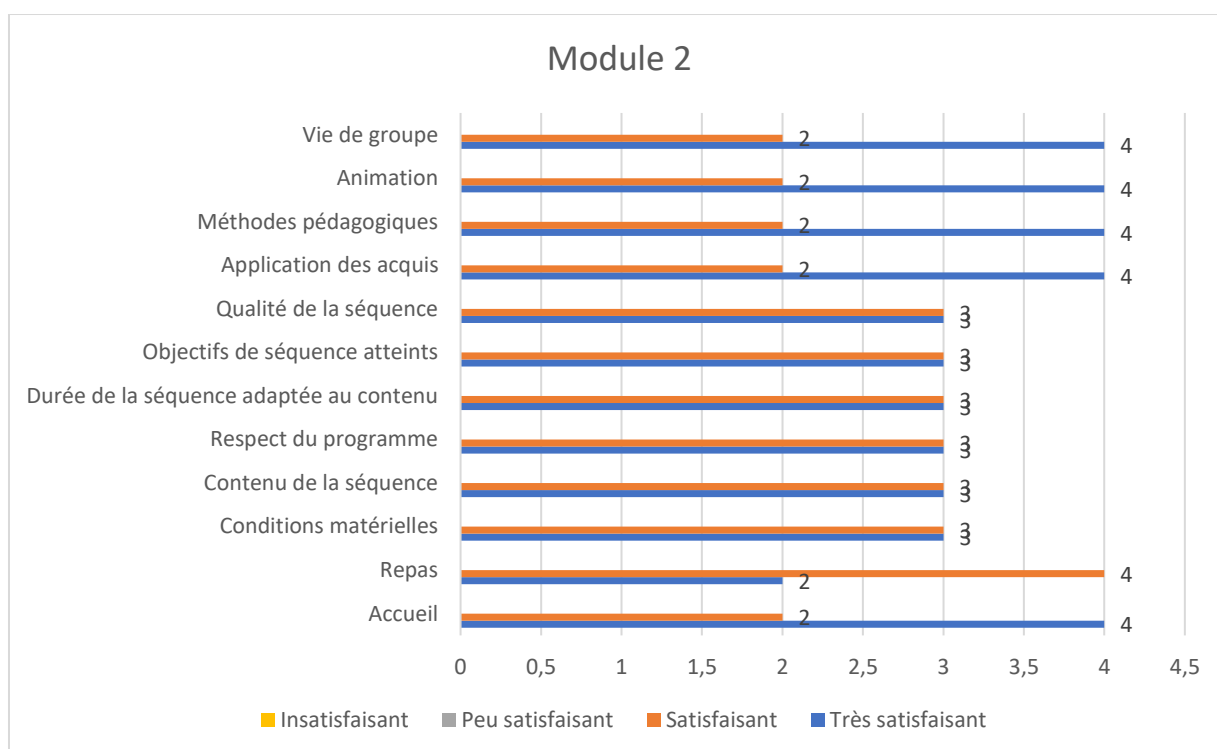

- Points positifs de la séquence
- Points d'amélioration proposés

Ces volets sont donc évalués après chaque module de formation **via un lien journalier** transmis par **courriel** à tous les participants.
